

Your Future is Electric. Join Our Team

60+ Electrical Contracting Companies. Endless Opportunity.

The NECA Careers Platform provides connectivity to more than 60 of the largest and most successful Electrical Contracting companies serving the District of Columbia, Maryland, and Virginia.

Who We Are:

NECA is the voice of the \$171 billion electrical construction industry that brings power, light, and communication technology to buildings and communities across the U.S. The Washington, D.C. Chapter represents more than 60 well-established firms, each with 1 to 2,000 skilled, qualified, and reliable employees. These firms are experienced contractors serving the District of Columbia, Maryland, and Virginia. They perform most of the electrical and telecommunications installations throughout the Washington, D.C. metropolitan area, suburban/southern Maryland, and northern and southwestern Virginia.

One Upload. Many Views.

By uploading your resume to the NECA Careers Platform, your information will reach any of our 60+ Electrical Contracting companies who are all looking for great talent.
